

QUESTIONNAIRE

for a flagpole

(to be completed by the customer for the price and lead time calculation)

Please fill in the fields below in as much detail as possible. Unfilled items will be taken at their default values (see the italic notes), which may lead to an inaccurate calculation or the need to request the data again.

1. Customer and site data

Customer organisation	full name
Contact person	full name, position
Phone / e-mail	
Name of the site where the flagpole will be installed	
Address / settlement of installation	region, district, city
Number of flagpoles	
Desired delivery time	

2. Height and series

Mark your choice with a cross. Heights outside the catalogue are made on request.

Flagpole height, m	
Flag size (width × length), m	
Number of flags per flagpole	

Flagpole series: ☐ FShR — manual drive, 10–20 m ☐ FShL — hand winch, 20–30 m ☐ FShP — electric drive, 30–100 m ☐ select by height and flag size

3. Installation site

Construction area	
Wind region (if known)	
Terrain (open, built-up, on a roof, near water)	
Supply voltage at the site (for the electric drive)	220 V / 380 V

4. Coating and additional equipment

Coating: ☐ hot-dip galvanizing ☐ hot-dip galvanizing + paint ☐ other (please specify)

Paint colour (RAL), if required	
Additional equipment (illumination, aviation warning lights)	

5. Foundation

Embedded foundation part: ☐ required (supplied with the flagpole) ☐ not required

Foundation	by the customer / foundation input data required
------------	--

6. Delivery

Delivery address	region, district, city, access for long-load transport
------------------	--

Offer for erection: ☐ required ☐ not required

7. Notes

Please send the completed questionnaire to us: we will calculate the price and lead time from it. If some data is not yet available, leave the field empty and we will clarify it together during the calculation.

Completed by (full name, position):

Date: _____

Signature: _____

Please send the completed form to info@polygonal.com.ua
